Friday 2nd October

I hope you are all enjoying the upbeat music at the gates in the morning. A couple of things to do - look out for any additions at the gate in the morning and, also, if you have a request for music - let us know and we will do our best. Thank you to those adults who were singing and dancing - it makes our morning.

A Sandown Belonging Award update; we have several pupils who have already have 4 targets signed off - only another four and our first wristbands can be awarded. If you want to support your child to attain these Awards here are some ideas of what your child could do:

Year R - share a story from home with their class
Year 1 - post a home learning activity on Tapestry
Year 2 - they could write a letter to someone who helps our school
Year 3 - share some news on Tapestry
Year 4 - visit Deal library and get a library card
Year 5 - post on Tapestry some learning outside of school
Year 6 - complete a kindness challenge at home

The children are becoming really engaged in this Award scheme which is unique and it has really been fantastic for me to see all these young people engaging with it. They are demonstrating their commitment to their learning and their involvement in our school community.

Have a wonderful weekend and see you singing and dancing at the gate on Monday morning.
