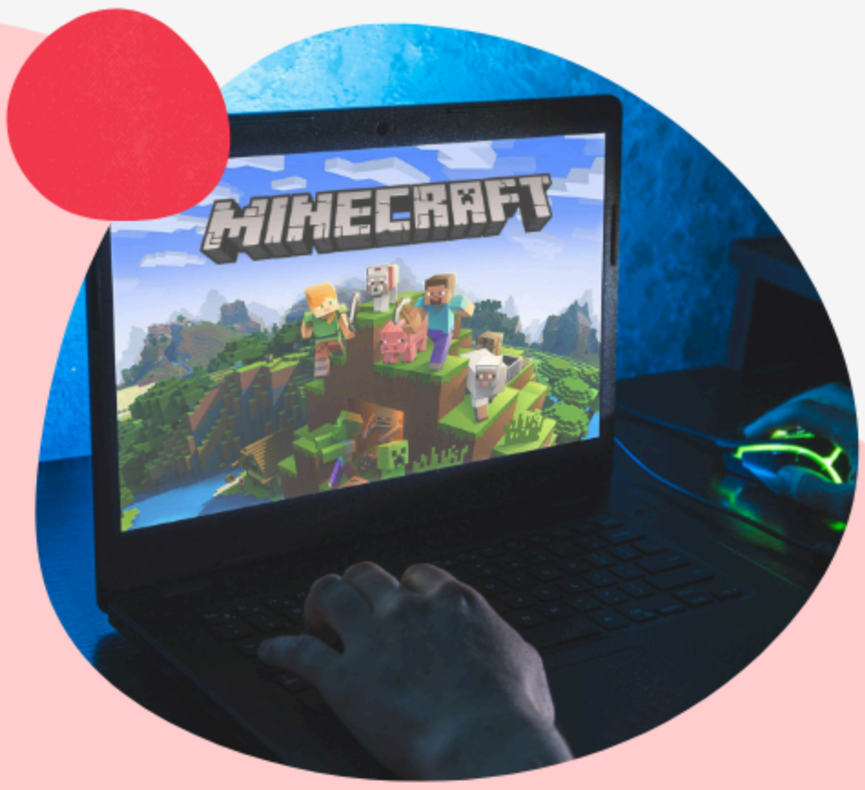
{JAM} CODING™
COMPUTING WORKSHOPS

> Minecraft enhances creativity, problem-solving, self-direction, collaboration and other life skills!

@Sandown Primary School

MINECRAFT After School Club_

At Jam Coding, our goal is to help improve children's digital skills. Our Minecraft club consists of different challenges based in the Minecraft program. This workshop will teach children to work in teams, think logically, explore their creativity and solve problems whilst developing their computing and coding skills. Suitable for Minecraft experts as well as total newbies to the game. Build, craft and code in a fun, safe environment! At the end of the course, all children will receive a certificate and one team will receive a trophy!



DATES: THURSDAYS
5th, 12th, 19th, 26th November
3rd, 10th, 17th December

TIME:
3:15 PM - 4.15 PM

PRICE:
7 WEEKS OF FUN FOR £56

BOOK HERE: https://portal.jamcoding.franscape.io/class-overview/6713

Click the link above to view course details OR visit our website and head to the booking tab. Enter your postcode in the locations field and click search to view courses. Then select the school or venue you require. N.B. You can only attend courses held at the school that your child attends. You can also search by the school postcode.
